## What is a tenancy?

When you **rent** a home it is called a **tenancy**.  
You sign a **lease**.

Rent is the money you have to pay to live in the home.

A tenancy is the time you rent a home.  
For example, 12 months.

A lease is a contract. A lease says

- An agent
  - looks after the home while you rent it

## How do you end a tenancy?

You can end a tenancy when your lease is finished. For example, after 12 months.

You write to the landlord or agent when you will move out. This is called giving notice.

When you want to move out **early** you may have to pay some costs.  
Early means before the lease ends.
